

## Fourth Scientific Meeting MolecularDiagnostics.be

Congress Centre Elzenveld, Antwerp, December 11<sup>th</sup> 2012

- 9:20 Registration and Coffee
- 10:20 Welcome  
*M. Sc. Marijke Raymaekers, Jessa Hospital, Hasselt, Belgium*
- 10:30 An introduction to next generation sequencing technologies  
*Dr. Sc. Friedel Nollet, AZ Sint-Jan Brugge-Oostende, Bruges, Belgium*
- 10:45 Routine HLA typing by Next Generation Sequencing  
*Dr. Kaimo Hirv, Centre for human genetics, Martinsried, Germany*
- 11:20 HIV drug resistance testing using NGS-technology  
*Dr. Martin Däumer, Institute of Immunology and Genetics, Kaiserslautern, Germany*
- 11:55 Clinical sequencing of the next generation  
*Dr. Arjen Mensenkamp, University Medical Centre St Radboud, Nijmegen, The Netherlands*
- 12:30 Lunch                      13:15 - 13:45 **Lunch session organised by Abbott:  
HPV requirements for screening purposes**  
*Prof. Dr. Peter J.F. Snijders, VU University medical Center, Amsterdam, The Netherlands*
- 14:00 Oral presentation selected from abstracts  
*To be announced*
- 14:15 Oral presentation selected from abstracts  
*To be announced*
- 14:30 New treatment options for HCV and their influence on diagnostic methods  
*Dr. Hans.Orient, Gastro-Enterology AZ Sint-Jan Brugge-Oostende, Bruges, Belgium*
- 15:00 Coffee break
- 15:45 BRAF mutations and their impact on targeted therapies  
*Prof. Dr. Patrick Pauwels, University Hospital Antwerp, Antwerp, Belgium*
- 16:20 *Mycoplasma genitalium*, STD and molecular diagnostics  
*Dr. Cécile Bébéar, Université Victor Segalen Bordeaux, Bordeaux, France*
- 16:55 Closing remarks  
*M. Sc. Marijke Raymaekers, Jessa Hospital, Hasselt, Belgium*
- 17:10 Goodbye drink

The meeting is intended for all persons involved in molecular diagnostics (lab technicians, molecular biologists, clinical biologists, ...) and is limited to 200 participants.  
Accepted for 5 Accreditation points by the RIZIV/ENAMI institute .

Register before December 1<sup>st</sup> 2012 via [www.moleculardiagnosics.be](http://www.moleculardiagnosics.be), after registration please pay €50,- registration fee by bank transfer on 610-6415880-03 (€60 at the door).

**BD, bioMérieux, Bio-Rad Laboratories, Cepheid, Life Technologies, Roche Diagnostics**

Diagenode, Emelca Bioscience, Eppendorf, Forlab, Gen-Probe, Hologic Benelux, Illumina, Integrated DNA Technologies, Ipsogen, Labconsult, Meridian Bioscience Europe, PathoFinder, QIAGEN, R-Biopharm AG, Siemens Healthcare Diagnostics, VWR International
